

# Believe In Magic

**TAP MAGIC®. THE WORLD'S FINEST CUTTING FLUIDS.**

TAP MAGIC Cutting Fluid was first developed in 1953 for machinists who needed far greater precision than they could achieve with conventional cutting oils. Since then, a whole family of TAP MAGIC Cutting Fluids has been formulated – each carefully engineered to meet a specific set of metalworking demands.

Whatever the metal, whatever the cutting operation, TAP MAGIC Cutting Fluids penetrate right to the cutting edge of the tool to provide superior lubrication, greater precision and longer tool life.

TAP MAGIC Cutting Fluids are offered in a wide variety of sizes and even in aerosol cans. They're easy to find too, thanks to an outstanding network of industrial distributors.

Use TAP MAGIC Cutting Fluids and you'll join millions of satisfied metalworking professionals who "Believe In Magic."

**Just One Drop And  
The Performance Is Magic!**

# A TAP MAGIC® FORMULA FOR EVERY NEED

TAP MAGIC® with EP-XTRA® – an ozone-friendly formula delivering outstanding performance for any cutting operation on any metal. The fluid to use when you don't know what cut or what metal tomorrow may bring.

TAP MAGIC® ALUMINUM – the most effective cutting fluid you can use for any metal work on aluminum. Provides excellent performance for all cutting operations.

TAP MAGIC® XTRA-THICK® – The extreme performance heavy-weight cutting fluid for the hardest metals up to 45 RC. Great for lathe, millwork and deep hole cuts. Contains EP-X<sup>3</sup>®.

TAP MAGIC® PRO TAP® – our original biodegradable cutting fluid. Totally free of all regulated chemicals. Highly effective for all cutting operations on all metals.

TAP MAGIC® FORMULA 1 AQUEOUS – A biodegradable, non-corrosive, water-based fluid that's highly effective for all cuts on all metals. Contains EP-X<sup>3</sup>® for a synergistic boost in performance.

TAP MAGIC® FORMULA 2 ECO-OIL – A totally biodegradable natural oil base that's especially low in odor and smoke. Highly effective for all cuts on all metals. With EP-X<sup>3</sup>® for a synergistic performance boost.

Now offered in aerosol!
